

# “INFORMATION & COMMUNICATIONS TECHNOLOGIES (ICT) AS ENABLERS FOR IMPROVED OPERATIONS IN MODERN PORTS”

20-21 November 2014

## Objectives:

- To understand the ICT technologies' role for competitive and efficient MED ports.
- To get familiarized with emerging ICT technologies and software tools for container tracking and monitoring.
- To learn about MED ports operational challenges
- To understand how strategic planning and modern logistics frameworks impact and can improve the port competitiveness and its transit capacities.
- To get acquainted with logistics management models and standards for improving the efficiency of freight transport.

## Target group:

Participants may include Port Authorities and Operators, Freight Forwarders, Shipping and Logistic Companies, Shipping/Container Lines, Transporters, Consultants and Maritime Organizations, etc.

**Venue:** Salón de Actos, Sede APV - Fase III, Avda. Muelle del Turia, s/n, 46024, Valencia (Spain).

**Registration:** Free registration. Please, complete the registration listed on the website: [www.inte-transit.eu](http://www.inte-transit.eu) or send your registration form by email to [vernoux@fundacion.valenciaport.com](mailto:vernoux@fundacion.valenciaport.com) before 14th November. Your reservation will be confirmed by email.

**Simultaneous Interpretation:** The organisation will provide an individual translation equipment English-Spanish during the Workshop.

20-21 November 2014

## AGENDA

### CONTINUATION DAY 1 - 20th November:

#### Continuation 3rd Technical Session - “ICT: Technologies and latest advances” - Chairwoman: Athanasia Tsertou (ICCS)

- 16:50 - 17:10 “Monitoring: improving security and performance in port environment” - **Cristóbal Rueda** - PESYR I+D
- 17:10 - 17:30 “RFID for finished vehicle logistics” - **Joan Nuñez**, iXnet IT Solutions, S.L.
- 17:30 - 17:50 “Process Automation at Ports and Terminals” - **Francisco Grau Cavanillas**, ORBITA
- 17:50 - 18:10 “Intelligent chips for port areas” - **Gustavo Rodríguez**, NextPoints
- 18:10 - 18:20 Questions and answers (Moderator)

### DAY 2 - 21st November:

#### 08:45 - 09:00 Picking up of the Simultaneous Translation Receptors

#### 09:00 - 10:30 4th Technical Session / Round table discussion on “ICT tools: modernisation of logistics” Chairman: John Kanellopoulos (PCT)

- 09:00 - 09:15 “Noatum. Information gathering and analysis” - **José María Solá López** - NOATUM
- 09:15 - 09:30 “Truck Monitoring Systems” - **John Kanellopoulos**, PCT
- 09:30 - 09:45 “The challenges of change” - **José Gisbert**, MSCT
- 09:45 - 10:00 “Modernisation of Logistics in TCV” - **Damián Marqués Lluch**, TCV
- 10:00 - 10:15 “Port Technology Plan” - **Gaetano Verde**, CONATECO
- 10:15 - 10:30 Questions and answers (Moderator)

#### 10:30 - 10:50 Coffee Break

#### 10:50 - 12:15 5th Technical Session - “MED Projects” - Chairman: Antonio Torregrosa (Fundación Valenciaport)

- 10:50 - 11:05 “ICT for port-hinterland integration as key driver to boost accessibility” - **Andrea Campagna** - Coordinator of Futuremed project
- 11:05 - 11:20 “The MED-PCS Project: Promotion of Port Community System in Mediterranean Ports” - **Anna Navarro** - Port Authority of Tarragona
- 11:20 - 11:35 “The future of the MEDITA network: challenges and opportunities” - **Camilla Baroncelli**, Coordinator of Medita project
- 11:35 - 11:50 “Action plan towards the Smart port concept in the Mediterranean Area” - **Gracia Buiza Camacho**, SMART-PORT
- 11:50 - 12:05 “Optimizing and profiting best practices in the MED area in transport - OPTIMIZEMED Project” - **Sergio Güerri**, Feports y **Ana Benito**, Region of Valencia's Council of Chambers of Commerce
- 12:05 - 12:15 Questions and answers (Moderator)

#### 12:15 - 12:45 Conclusions and closing speech

**Angelos Amditis** - ICCS

**Vicente del Río** - Fundación Valenciaport

**\*Note: Networking, posters and PC-based demo sessions will be available during coffee breaks and lunch**
